

Parents Matter! Virtual Session

Internet Safety for Teens

Get the skills you need to help protect your teen online

Learn how to communicate with your child about Internet safety

Tuesday
April 13th
7-8:30PM

Guest Presenter:
Natalie Wood Richè
North Carolina Department of Justice

During this virtual session, you will learn how to monitor your kids while teaching them Internet safety, prevent inappropriate content, help your kids "keep it clean" and how and where to report wrongdoers.
